Announcing Our Early Action CoChairs: Pioneers of Proactive Change!

Paving the Way Towards a Better Tomorrow for our Union Square Community

We are thrilled to announce the selection of our Early Action CoChairs for our Union Square Early Action Committee! After careful consideration and review, we are confident in the capabilities and dedication of our newly appointed CoChairs.

HUD requires that grantees undertake specific Early Action Activities that must be completed within the two-year planning grant timeline to demonstrate progress towards neighborhood transformation. The committee will develop the scopes of the selected activities, that when implemented, are considered to have the greatest positive impact on the neighborhood.

Together, as CoChairs, Ed and Josh will lead these efforts and encourage proactive measures, promote collaboration, and spearhead these initiatives to address any challenges head-on.

Please join us in congratulating Ed and Josh on their appointment as our Early Action CoChairs! We look forward to their leadership and the positive impact they will undoubtedly make on our Union Square Neighborhood.

Let's embark on this journey of proactive change together!
