Went over deadlines:

March 4 – condense the application

March 25 - draft of application due – form and format for comments on our website

20 providers we've identified

Transformation Plan was approved by HUD

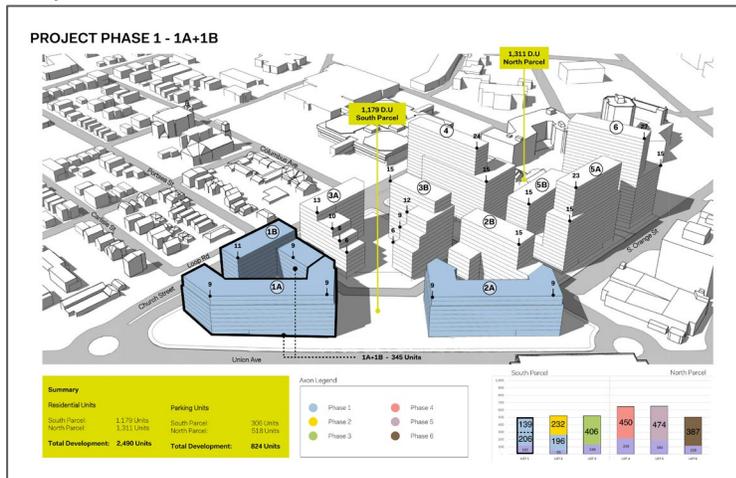

Zoning approved today and MOUs – no impediments

Presentation Began

We are going to replace all the units from Robert T Wolfe and Church St South.

How old is Robert T. Wolfe? Approximately 70 years old

The picture below was shown, it has 541 units in the blue

*Define increase income. What does it mean over 5 years – be more realistic about impediments. What level does every resident need – residents have disabilities, assessments need to be done, who can we get employed, organizations need to be around. Sit with every resident and see where they are. There are volunteer opportunities in the community as well.

Assisted living – meals won't cut it; congregate for meal – cafeteria for low-income residents
